

A time-saving, versatile family of drop-forged steel chain accessories from Porter-Ferguson

CA-Series Chain Accessories

Porter-Ferguson quality, Porter-Ferguson tough!

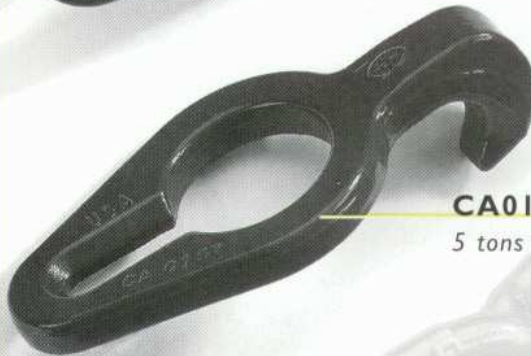

Now there's an entire family of time-saving chain accessories designed to make your life easier. And they're from Porter-Ferguson, so you know they're top quality and made to last. Our hitches, catches, slip and grab hooks, tear drops and shackles help make set-ups and changes quick and easy. Is the chain too short or too long? Need a double hook on the fly? There's a P-F chain accessory ready to save you time – and money. All are 100% manufactured in the USA with drop-forged, heat-treated alloy steel. We also offer 3/8" grade 70 chain to give you everything you need from your most reliable source. Another reason why Porter-Ferguson is the first choice of top auto body pros.
